INTRODUCTION TO DUBAI

The much-anticipated ICC Champions Trophy match between India and Pakistan is scheduled for February 23, 2025, in Dubai. Under the hybrid model adopted for this tournament, games between these rivals will continue to be hosted at neutral venues, until at least 2027.

Once a small fishing village in the Arabian Gulf, Dubai shares the spotlight with some of the most cosmopolitan cities in the world. One of the seven emirates that make up the United Arab Emirates, the city is home to more than 200 nationalities and offers an unforgettable experience to all visitors. Whether it is by the banks of the Creek, or at the top of Burj Khalifa, the world's tallest building, Dubai lives and breathes a sense of possibility and innovation. And with an unparalleled coastline, beautiful desert and magnificent cityscapes, memories are just waiting to be made here.

ICC CRICKET – CHAMPIONS TROPHY

The crowning glory of Dubai Sports City, Dubai International Stadium has well and truly put Dubai on the international sporting map. With a seating capacity of 25,000 and a pitch diameter of 148m, the multi-purpose venue has played host to many international sporting events and will be the host of the all-important India and Pakistan match.

Situated approximately a 30-minute drive inland from Jumeriah Beach you will be transported in the comfort of a pre-arranged transfer on an air-conditioned coach.

EVENING DESERT DUNE SAFARI

The Evening Desert Safari is a signature experience in the Dubai Desert Conservation Reserve. Watch the sunset over the desert, spot Arabian Oryx and Gazelle, and feel the thrill of a 4x4 dune drive.

Escape the city's skyscrapers and beaches to explore the desert, the birthplace of Bedouin culture, indigenous wildlife, and thrilling activities unique to the dunes. Your journey begins with a hotel pickup and a drive to the DDCR, where you'll enjoy a range of exciting activities followed by a BBQ dinner in a traditional Bedouin setting.

Throughout the safari, you'll have the chance to spot local wildlife in this protected conservation area. Bring your camera to capture unforgettable moments.
